POWDER COATING
Residential & Commercial

Powder coating is available for all sized roof ventilators.
Our smallest sizes, the 300mm and 360mm sized vents are all kept in Colorbond colours.
However our larger sizes, the 410mm, 530mm and 610mm are only powder-coated on request.
Below are the Colorbond colours our vents are available in.
We also stock and will still powder coat superseded colours such as: **Bushland, Headland, Plantation, Sandbank, Wilderness and Loft.**
